### THE MADISON COUNTY WET AND DRY ELECTION.

(Florida Christian Advocate.)

As we stated last week, Madison county has fallen into the line in the dry column after an exciting contest.

Bro. W. J. Gray, who labored night and day for the cause of Temperance has kindly furnished us with the figures showing the handsome majority given for the dry side: we think that this is about the largest majority ever given, at any rate it places this old county among those who are in the lead.

"Blind Tigers" is always the cry of those who oppose local option, and it is estimated that they are already in existence here. Now is the time to organize a Law and Order League and break up the nefarious traffic. This can be done if the right effort is made, and we believe that those who voted in such a large majority for the suppression of the legal sale of strong drink, will be equally as uncompromising now. The fight is still on and they must be prepared for it.

Here are the figures showing the result of the election:

**Precincts.**  
**Madison**—For 65; against 142; thrown out, 49; majority, 77.  
**Ellaville**—For, 13; against 7; thrown out 0; majority.  
**Lee**—For, 43; against 51; thrown out 7; majority 8.  
**Mosely Hall**—For, 9; against 32; thrown out, 4; majority, 23.  
**Greenville**—For, 19; against 94; thrown out, 2; majority 75.  
**Hamburg**—For, 5; against, 64; thrown out, 3; majority, 59.  
**Cherry Lake**—For, 1; against, 35; thrown out, 3; majority, 34.  
**Withlachochee**—For, 15; against, 71; thrown out, 5; majority 56.  
**Tuten**—For, 8; against, 16; thrown out 0; majority, 8.  
**Hicks Town**—For, 0; against, 14; thrown out, 1; majority, 14.  
**Macedonia**—For, 7; against, 56; thrown out, 3; majority, 49.  
**Winkapin**—For, 11; against, 11; thrown out, 0; majority.  
**Total**, For, 196; against, 593; thrown out, 77; majority, 397.
